Narrative

On November 17, 2021, at approximately 3:55 AM, Angleton Police Department was requested at 320 Sands Street, Angleton, Brazoria County, Texas. Angleton Dispatch received a 911 call from the resident, who was later identified as Richard David (76 year old Male), requesting police service.

Upon arrival, Angleton Police Officers made entry into the residence and located a male and female with apparent gunshot wounds. The female, who was later identified as Helen David (76 year old Female), was pronounced deceased on scene. The male, who was identified as the 911 caller, Richard David, was flown by Lifeflight to Memorial Hermann Hospital, where he was later pronounced deceased.

Angleton Police Department Investigations Bureau is actively investigating this incident. Angleton Detectives learned that both Helen and Richard had declining health conditions and the preliminary evidence suggests that this was a murder-suicide. However, a full investigation is being conducted. This appears to be an isolated incident and is not connected to any other crimes being investigated.
