# ANGLETON POLICE DEPARTMENT

## Patrol Operations

Patrol Operations is composed of uniformed police officers assigned to a motor vehicle to patrol the city limits of Angleton. Patrol Division is responsible for the majority of police services rendered by the department.

## Telecommunications

Telecommunications is the first point of contact for citizens in need of Police, Fire, or EMS services. Telecommunicators answer all incoming 9-1-1 emergency calls and non-emergency calls, dispatching the appropriate personnel for response, while updating and relaying information to emergency personnel via radio and the Computer Aided Dispatch (CAD) system.

## Criminal Investigations

The Angleton Police Department is responsible for investigating crime that occurs within the city limits, including major crimes, assaults, trespass, harassment, and other minor crimes.

## Jail Operations

The Angleton Police Department has a holding facility that is able to accommodate subjects that are in custody. The Department has a full time jailer that is responsible for the day time operation of the holding facility.

## Professional Standards

Although we strive for perfection, we recognize that we fall short at times. Professional Standards is compliance and auditing tool for the Department. Professional Standards is responsible for handling all citizen complaints.

## Training Academy

The Angleton Police Department is a Texas Commission on Law Enforcement (TCOLE) licensed training provider and offers select training courses for law enforcement personnel throughout the year.

## Crime Victim Liaison

The Angleton Police Department is proud to be able to provide the Crime Victim Liaison services to our citizens. Our Crime Victim Liaison position is funded by a grant through The Office of the Governor.

## Records

The Angleton Police Department Records is responsible for records management for all police activities, as well as sex offender registration compliance.
